PC:

An order passed by Rehabilitation Officer (SRA) holding that the respondent No.2 is in actual possession of the zopadi in question on the relevant date is challenged by filing present writ petition. On the basis of documentary as also oral evidence a finding of fact has been recorded with regard to possession of the respondent No.2. The petitioner so also respondent No.2 claim to be wives of Sahebrao Bhise and thus the dispute. As the Slum Rehabilitation Authority has recorded a finding about respondent No.2 being in possession her name is recorded as the person in occupation of the concerned zopadi. Perused the order. Same does not call for interference in writ jurisdiction. Hence writ petition is summarily dismissed.
